PERRIER-JOUËT - A LOVE STORY

Love was the catalyst for the creation of the House of Perrier-Jouët, established in 1811 after the meeting and subsequent marriage of Pierre Nicolas Perrier and Adele Jouët.

This same year saw a legendary vintage and from this first vintage the house has produced unusually fine champagnes.

The house recognised the potential of overseas markets early on and sent its first consignment to England in 1815 and to the United States a few years later. Responding to the evolving taste of customers, in 1854 the House pioneered a dry champagne, later to be re-named Brut and set the standard for the champagne we know today.

Perrier-Jouët's beautiful Belle Epoque bottle, set with anemones, was created in 1902 by the famous artist Emile Gallé and epitomises the Bohemian spirit of the Belle Epoque era.

Hervé Deschamps, only the seventh cellar master to work at the House, tastes each base wine twice and then creates the blend in one go. Most houses make trial blends and a committee decides, but such is Hervé's skill, he gets it right first time. The Chardonnay grape, floral and almost feminine in its elegance and finesse, is the signature variety of Perrier-Jouët's vineyards and the cornerstone of the Perrier-Jouët style.
